Chairperson Welcome

Discipline. Leadership. Teamwork. Humility in victory. Dignity in defeat. High school activities are more than just a contest or performance. They are the catalyst for personal growth that will serve as a foundation of development in the lives of the young people featured here today.

On behalf of the South Dakota High School Activities Association Board of Directors, the SDHSAA Staff, and our Member Schools, it is my great pleasure to welcome you to Aberdeen for the 2019 All-State Band event.

The SDHSAA is committed to providing interscholastic activities that further enhance classroom experiences for high school students. Policy-making and oversight are the day-to-day work of the SDHSAA Board of Directors. However, the broader outcomes of our work give way to promoting healthy minds, healthy bodies, and the spirit of fairness.

While competitiveness will always exist in activities, students and adults alike must not lose sight of the character traits—positive and negative—that result in how we are defined as individuals, as teams, and as school communities. I encourage you to model the traits of good sportsmanship and attentive audiences.

The positive experiences, interactions, and camaraderie gained during these activities create memories for a lifetime. To the fans, spectators and organizers of this event, thank you for your dedication to the young people of our state. To the participants, we wish you the best of luck!

Brian Maher, Chairman, SDHSAA Board of Directors

2019 South Dakota Bandmasters Hall of Fame Inductee Corliss Johnson

The South Dakota Bandmasters Association honors Corliss Johnson

Dr. Corliss Johnson began his teaching career in South Dakota in 1972 at South Dakota State University. During his tenure, Dr. Johnson worked with many of the music ensembles ranging from concert bands, orchestras, jazz groups, and The Pride of the Dakotas marching band. He was appointed head of the music department in 1994 and remained in the seat until his retirement in 2005, when he was honored as professor emeritus.

Dr. Johnson also lent his services to the state as an All-State Orchestra judge for nine years, All-State Jazz judge for ten years, and All-State Band judge for twenty-seven years. He also worked extensively with

high school students as a guest clinician as well as a faculty member for the All-State Music Camp. For his service to the state and music, Dr. Johnson was awarded the SDBA Lifetime Achievement Award as well as the SDHSAA Distinguished Service Award.

SDHSAA Distinguished Service Award

Toby Rath, a native of Long Lake, SD, was a graduate of Leola High School and Northern State University. In 1980, Toby started his 39year career teaching bands at Groton Public Schools. In 2004, he moved to the Black Hills where he taught in the Rapid City Public School system for elementary and high school bands. In 2009, he was named Director of Bands of Central High School in Rapid City, where he continues that role teaching marching, concert, and jazz bands.

While at Groton, concert bands consistently received superior ratings at contest and won several awards at marching parade and field com-

petitions. Groton's band was selected to perform at the State Music Convention two different times and has produced at least one All-State Band member every year but one, in the history of All-State Band.

At Rapid City, the band has produced numerous members of All-State Band, Orchestra, and Jazz Band. Rapid City ensembles have traveled nationally to San Antonio, TX and abroad to Italy, France, Greece, China, Germany, Austria and the Czech Republic.

Toby's top honors include Phi Beta Mu Outstanding Bandmaster 2009, conducting the Northern Hills Honor Band in Spearfish, hosting All-State Band Auditions and All-State Band when it was in Rapid City, and serving on SDHSAA Music Advisory Committee. Toby has been a past President of the SD Bandmasters Association, SDBA Scholarship Chair for 10 years, and Region VIII Contest Host and Treasurer.

Toby has a wife, Lois, two children, Cory & Amy, and four grandchildren.

BRIEF HISTORY OF SOUTH DAKOTA ALL-STATE BAND

The first South Dakota All-State Band was held in 1951 in Sioux Falls at Washington High School with Frank Simon as the guest conductor. The All-State Band project was organized by the South Dakota Bandmasters Association (SDBA). No judges were used in selecting the members of that first All-State Band. Chair placements for each section of the Band were determined by brief auditions that were held during the first hour of the day. The auditions were listened to by the band directors. Following the auditions the band was seated and the rehearsal began at 9:30 a.m. The same format was used for the All-State Band in 1952.

In 1952 the SDBA decided to hire two judges to audition students across the state. In 1961 the SDBA increased the number of All-State judges to four.

Beginning in 1962 the All-State Band began a new phase in its history when the Band became a joint project of the SDBA and the South Dakota High School Interscholastic Activities Association (SDHSIAA). The two organizations oversaw the All-State Band and both have been involved with the process until 2013. In 1965-66 the SDHSIAA changed its name to the South Dakota High School Activities Association (SDHSAA). Starting in 1962 the general supervision and control of the All-State Band been in the hands of the SDHSAA while a major part of the planning and operation of the Band being in the hands of the Bandmasters Association. Starting in 2013 the complete sponsorship of the All-State Band is operated by the SDHSAA.

Prior to 1974 the All-State Band would first meet on Friday morning, sight read the music to be performed, and then begin rehearsals for the Saturday concert. In 1973 a decision was made to give the concert music to the All-State students at the February Music In-Service. Also, a Thursday evening rehearsal was added to the schedule. These changes have allowed the All-State Band to perform some of the most difficult and best music available for bands. Since that time the quality of the South Dakota All-State band has compared with any in the nation.

Today's process for selecting the students consists of students auditioning for the same judges throughout the state within a three week period. Students are asked to prepare a solo, major scales, minor scales, and a chromatic scale. They are also auditioned on sight-reading music which is composed by the judges and the students take a test on music terminology. A composite score is compiled for each student and the students with the lowest scores in each section comprise the All State Band. This audition system has remained largely intact since 1961.

Beginning with the 2006 All-State Concert a major change in the All State Band took place when the traditional one large All-State Band was divided into two smaller, but equally talented bands. The two band format is an attempt to adapt to the band music which is now being composed for smaller symphonic bands.
